Student Technology Fee Committee

Members in attendance: *CIO Ron Solomon (RS) – Chair, Director of IT Projects and Tech Support John Warren (JW) – Co-Chair, Director of Student Life Terri Dawson (TD), Asst Dir of Student Life Isiah Mayfield (IM), SGA Abbigale Ardoin (AA), SGA Taylor Chapman (TC)*

Approval of minutes: JW asked for approval of the meeting minutes for October 2024. AA called for a motion to approve the minutes. TC seconded the motion to approve the minutes.

Open Issues Discussed: No open issued discussed

New Business:

- JW first brought up the request from Joshua Murphy at ATC. His request is for tablets with rugged cases for his automotive training classes. These tablets will be used to assist students looking up troubleshooting and schematic guides on their web-based sites while in the shop.

   The vote to approve/disapprove the 12 Dell AIO PCs for the Acadian Library for $21,675.00 is below:

- o Abbigail Ardoin – Approve
- o *Taylor Chapman – Approve*

- The next item discussed was the student conference room located in the new nursing building. This conference room is for student use and the quote is to mirror the same technology located in other conference rooms in the new building as well.

  The vote to approve/disapprove the 50 Chromebooks for student use at $37,303.05 is below:

  - o Abbigail Ardoin – Approve
  - o *Taylor Chapman – Approve*

- **Next Meeting:** May 2025

MEETING OPENED: 11:05 a.m.

MEETING ADJOURNED: 11:28 a.m.

RECORDER: John Warren

Goals and Objectives
Student Technology Fee Program Goal: To provide students with access to, and training in, information technology and discipline-specific equipment that represents the current state of the art technology for that discipline.
Which objective would this advance?
☐ Objective 1.1: To provide public access computers with current software as well as network connectivity.
☐ Objective 1.2: To provide the BRCC student body with access to state-of-the-art software and hardware, including classroom technologies which support student learning.
☐ Objective 1.3: To increase access to the campus network and internet resources via wireless internet and other innovative access options.
☐ Objective 1.4: To ensure that instructional laboratories and open laboratories are equipped with the most current equipment appropriate to teaching and learning in the various disciplines of the College.
☐ Objective 2.1: To enhance student learning by providing support programs in order to optimize the use of multi-media and other instructional technologies.
☐ Objective 2.2: To provide appropriate state-of-the-art technology to student services that directly support student life and learning (e.g., Career Planning and Placement, the Academic Learning Center, Student Development etc.)
Beneficiaries of funds:
