TITLE IX / POWER-BASED VIOLENCE NARRATIVE

The Louisiana Community and Technical Colleges (LCTC) Policy #9.001 Power-Based Violence/Sexual Misconduct, pursuant to Act 472 of the 2021 Regular Legislative Session of the Louisiana Legislature, sets forth processes and procedures to guide college stakeholders in maintaining safety and protection for students and employees.

Power-Based Violence (PBV) is defined as interpersonal conduct intended to control, coerce, harm, exploit, or intimidate another person on the basis of sex through the assertion of power or authority over that person.

Each LCTC Institution shall require annual training for each of its (i) Responsible Employees; (ii) individuals who are involved in implementing the institution's student grievance procedures, including each individual responsible for resolving formal complaints of reported power-based violence or power-based violence policy violations; (iii) Title IX Coordinator(s); and (iv) employees who have responsibility for interviewing any alleged victims of power-based violence. Each Institution shall ensure that the individuals and employees receive the training described in Act 472 no later than the beginning of the 2026-2027 year annually. The uploads have been completed, and as of 10/24/2026, the College had a completion rate of 76.6% on the KnowBe4 training platform for Power-Based Violence.

Responsible Employees of Baton Rouge Community College who have completed all required portions of the Board of Regents existing training materials thus far in the 2026-2027 academic year, include the (6) Confidential Advisors, (1) Title IX Coordinator, (2) Deputy Title IX Coordinators (4) Hearing Officers, (3) Investigators, Provost/Vice Chancellor for Workforce and Student Development, Assistant Vice Chancellor for Student Development, Campus Police Chief, and the Chancellor.

The percentage of employees who have completed the Baton Rouge Community Title IX and Power-Based Violence training thus far during the calendar year is identified below. The training is provided and tracked via the KnowBe4 training platform as identified below. Only active employees are included in this report.

• Reporting Power-Based Violence – 76.6%

The College also provides additional training and professional development to members of the Title IX team through the Association for Title IX Administrators (ATIXA) training certifications that are led by top practitioners in the Title IX field throughout the year as well as any training offered by Louisiana Community and Technical Colleges.

Case Resolution Rationale

201 Community College Drive Baton Rouge, Louisiana 70806

Title IX and Power-Based Violence (PBV) cases are resolved through a fair, impartial, and policy-driven process designed to ensure equity for all parties involved. Each case begins with a report to the Title IX Office, followed by an initial assessment to determine whether the alleged conduct falls within the scope of Title IX/PBV and LCTC policy. This includes evaluating whether the reported behavior occurred within an educational program or activity, whether it took place in the United States, and whether it could constitute sexual harassment, sexual assault, dating violence, domestic violence, or stalking as defined by policy and/or state regulations.

If the case meets Title IX or PBV criteria, the Complainant is offered the opportunity to file a formal complaint. Once a complaint is filed, BRCC Title IX Office initiates the grievance process, which includes a neutral investigation, the opportunity for both parties to provide evidence and witnesses, and equal access to information gathered. Throughout this process, both the Complainant and Respondent are offered supportive measures to ensure continued access to educational programs and activities.

After the investigation is complete, a trained decision-maker reviews the evidence and issues a determination based on the preponderance of the evidence standard—meaning whether it is more likely than not that a policy violation occurred. The decision-maker provides a written outcome explaining the findings, rationale, and any sanctions or remedies imposed. Both parties have the right to appeal the outcome on specific grounds outlined in policy ([*LCTCS Policy 9.002 Title IX Grievance Procedures*](#)).

In some cases, if both parties agree and the situation is appropriate, the matter may be resolved through **informal resolution**, such as mediation or facilitated dialogue, instead of a full investigation. If the reported conduct does not meet the Title IX or Power-Based Violence definition but still violates other institutional policies, the case may be referred to another office (such as Human Resources or Dean of Student Office) for appropriate action.

The rationale behind the resolution process is to ensure that all reports are handled consistently, transparently, and in a manner that upholds the rights of all parties while maintaining compliance with federal and state regulations. The process emphasizes fairness, accountability, and the College's commitment to maintaining a safe, inclusive, and equitable learning environment.

Campus Education and Awareness

Recognizing the importance of providing students with comprehensive Title IX education, the College has invested in a student training platform that provides education on Title IX, Bystander Intervention, and Consent.

Awareness and education are essential components of Power-Based Violence (PBV) prevention and reporting. The College is committed to increasing awareness among students, faculty, and staff through educational materials, training, outreach, and campus programming. These efforts include distributing informational resources, hosting Title IX/PBV resource tables, facilitating educational discussions with athletic teams, surveying students to assess Title IX/PBV awareness, requiring faculty to participate in in-

person training on PBV and mandated reporting, and coordinating awareness campaigns throughout the academic year.

Baton Rouge Community College also recognizes national awareness months through targeted campaigns and educational programming. These initiatives include Domestic Violence Awareness Month through the “Love Shouldn’t Hurt” campaign; Human Trafficking Awareness Month through the “Avoid Traffic: Take the Safe Route” campaign; Stalking Awareness Month through the “Eyes Open: Trust Your Instinct. Protect Your Safety.” campaign; Teen Dating Violence Awareness Month through the “Red Flags ≠ Six Flags: It’s Not Thrilling. It’s a Warning Sign.” campaign; and Sexual Assault Awareness Month through Denim Day and the “Start by Believing” campaign. Collectively, these initiatives aim to increase awareness, encourage informed decision-making, promote healthy relationships, and strengthen understanding of available reporting options and supportive resources.

Collaboration among College offices, academic programs, and community partners further strengthens these efforts by promoting shared responsibility, expanding access to educational resources, and supporting a safe and informed learning and working environment for students, faculty, and staff. Through continued education, outreach, and collaboration, the College seeks to foster a campus culture where individuals are equipped to recognize concerning behaviors, understand their rights, and access appropriate support.
